

BIKE SAFE, BIKE SMART

Free, Flexible, Experienced

Bike safety assemblies brought to your school by the San Luis Obispo County Bicycle Coalition.

Our mission is to improve the quality of life in the Central Coast through bicycle advocacy, education, and inspiration. Our bicycle education program has been active since 2003 reaching over **10,000 students** of all ages with Bike Smart curriculum in workshops with adults, employers, community groups, and through assemblies at local schools.

What, Why, How:

- **Trained**, assemblies taught by League of American Bicyclists Certified Cycling Instructors
- **Essential**, foundational safety information, rules of the road, common crashes, and helmet wearing
- **Flexible**, fine-tuned to your school schedule, 15, 30 and 60 minute formats available
- **Free**, all expenses are covered through grants provided by Rideshare Safe Routes to School program, City of SLO, and the County Health Department Office of Traffic Safety program
- **Modern**, fun digital presentation complimented by call and response personal interactive approach reaches all learning types
- **Responsible**, teaching safe behavior is an essential component of all efforts to encourage biking and walking to school
- **Proactive**, after hosting an assembly your school can, upon request, partner with the Bicycle Coalition to provide free grant funded helmets to students in need
- **Tested**, assemblies have been held at elementary schools throughout the County: Bishops Peak, Hawthorne, Pacheco, Monarch Grove, Los Ranchos, Grover Beach, Grover Heights, Ocean View, Oceano, Georgia Brown, Del Mar, Fairgrove, Dorothea Lange, Santa Rosa, San Gabriel, Lillian Larsen, Cappy Culver, Georgia Brown, Virginia Petersen, and SLO Family Montessori
